

Option 1	Liquid Latex (Recipe)
Good	Good stretch, simulates human skin well
Bad	Not available everywhere and can be expensive
Price per simulator	
Option 2	Silicone insulant
Good	Easy to find in hardware stores
Bad	Not very skin like, can be expensive
Price per simulator	
Option 3	Gelatin and Cassava
Good	Will cure within 24 hours
Bad	Will start to harden at 48 hours
Price per simulator	
Option 4	Gelatin / Cassava/ Glycerin
Good	Will stay flexible for a while
Bad	More expensive than option 3
Price per simulator
